Signing up is safe and simple. Your information is secure and private. Please have your member ID number ready.

- Go to **Express-Scripts.com** and select **Create online account**. Or download the **Express Scripts Mobile App** for free from your mobile device's app store. Then select **Register Now**.
- Enter the information needed. Include personal information and member ID number. Create your username and password.
- Click **Register now**. You're done!
- You can set preferences* now on the last page. Or you can set them later in **Account Settings**.
- Click **Continue**.

*Preferences include the option to share your prescription information with other adult members of your household. They must be age 18+ and covered under your drug plan.

- All covered adults (age 18+) in the household need to sign up separately.
- When you allow your prescription information to be shared with other registered household members, they can view your information. They can also place orders for you and more.

The Express Scripts mobile app is available to members using the following mobile devices: Apple – iPhone® 4/4s/5/5s/5c, iPad®; Android™ – OS 2.3 and later; Windows Phone, BlackBerry® – Bold/Tour (OS 4.5 & later), Curve/Curve 2 (OS 4.5 and later) and Storm/Storm 2 (OS 4.7 and later).
